**REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR § 1.322**

This is a request for the issuance of a Certificate of Correction under 37 C.F.R. 1.322 in the above-referenced patent to correct an Office mistake. Two (2) copies of form PTO-1050 are enclosed. The complete Certificate of Correction involves one (1) page.

The requested correction is in claim 1 (column 56, line 11), correcting "C<sub>1-3</sub>cycloalkyl" to read --C<sub>3-8</sub>cycloalkyl-- in the definition of group A within the definition R<sup>4</sup>. The correct term "C<sub>3-8</sub>cycloalkyl" appears in original claim 1 and was correctly carried forward to final amended claim 1 presented in the Amendment and Response After Final filed July 14, 2004 as shown at page 3, line 6, of that July 14, 2004 filing. The error thus clearly was made by the Office between Applicants' final amendment and the printing of the patent. Accordingly, correction under 37 C.F.R. 1.322 is requested. As the errors identified in the above-referenced U.S. Patent occurred through the fault of the U.S. Patent Office, no fee is enclosed. However, if there are any additional fees due in connection with the filing of this Request, the Commissioner is hereby authorized to charge any fees due to Deposit Account No. 50-0310.
